

POWELL-CLINCH UTILITY DISTRICT
Rocky Top, Tennessee

RATE SCHEDULE 10

RESIDENTIAL GAS SERVICE

AVAILABILITY

This rate schedule is available to any residential customer for domestic use in individual dwelling units. This schedule is also available to a customer with four (4) or less dwelling units served through a single meter. If the dwelling also houses a commercial operation, the available floor space must be predominately residential to qualify for service under this rate.

The customer's property served under this rate schedule is located in the service area of Powell-Clinch Utility District (PCUD).

Gas supplied under this rate schedule is for the exclusive use of the Customer and shall not be resold or shared with others.

Availability of gas under this rate schedule is subject to curtailment in the event of any curtailment of PCUD's supply of gas, and is subject to adequate capacity being available from existing gas mains.

RATE

Customer Charge: \$8.00 per month

Commodity Charge: \$0.5400 per therm

Turn On and/or Reconnect Charge \$50.00

Purchased Gas Cost Adjustment:

The above rates are subject to adjustment caused by changes in the cost of purchased gas in accordance with Service Schedule 10. Purchased gas adjustments and all applicable taxes and fees are in addition to the above stated base rate.

MINIMUM BILL

The minimum bill is the Customer Charge.

MEASUREMENT

The unit of volume for the purposes of measurement shall be by the cubic foot. The unit of volume for the purpose of billing shall be by the therm. The number of therms delivered at the point of service shall be determined by multiplying the number of measured cubic feet of natural gas delivered to the customer during said month by the "Unit Total Heating Value" of each cubic foot and then dividing the total by 100,000.

PAYMENT TERMS

The above rates are net, the gross rates being 10% higher. In the event the current monthly bill is not paid on or before the due date shown on the bill, then the gross rates shall apply.

SINGLE POINT DELIVERY AND JOINT SERVICE THROUGH ONE METER

The above rates are based upon the supply of service to the Customer's premises through a single delivery and metering point and at a single pressure. Separate supply for the same Customer at other points of consumption or at different pressures shall be separately metered and billed.

VOLUMETRIC LIMITATIONS

PCUD reserves the right to prohibit the addition of any loads in excess of present loads without prior District approval. Any Customer who violates these restrictions may be required to remove the excess load requirements or may have full service discontinued.

RULES AND REGULATIONS

All service under this rate schedule is subject to the Rules and Regulations of the Powell-Clinch Utility District.
