

POWELL-CLINCH UTILITY DISTRICT
Rocky Top, Tennessee

SERVICE SCHEDULE 9

FACILITIES CHARGE

INTENT

At the sole discretion of Powell-Clinch Utility District (PCUD) service may be provided to new Large Commercial and Industrial customers whose proximity is outside of the area supplied by existing gas mains. In order to defray the investment in new facilities to provide service to those customers, the new customer and PCUD may mutually agree to a specified facilities charge to recover the District's investment in facilities to provide gas service to that customer.

Effective: February 23, 2012
